

Sarah Cosentino

Researcher,
communication and
interaction designer

about

Hi! My name is Sarah Cosentino and I'm a communication and interaction designer passionate about design's power to bridge divides and create more ethical experiences.

My work centers on social impact and amplifying voices from minoritized communities. I am interested in how design education, ethics and policymaking can converge to create more equitable futures through data and technological innovation.

experience

Researcher and Interaction Designer | Tactical Tech / Berlin, Germany (jul 2026 - ongoing)

- Research and design for The Toxic Triangle project, investigating the impact of technology on young people
- Support of the research phase, and design of an interactive experience to communicate a systemic issue to a non-technical audience (specifically targeted to decision makers)

Mentor | reDesignHer / full remote (feb 2026 - apr 2026)

- Mentor cohort of middle and high school girls in virtual innovation program
- Guide students through design thinking processes and creative problem-solving methods
- Provide weekly feedback on student projects addressing meaningful challenges

UX/UI Designer | DomaFlow / Lugano, Switzerland / hybrid (feb 2026 - mar 2026)

- Created user flows, wireframes, and high-fidelity prototypes for property management platform
- Designed interface components and contributed to early-stage design system development
- Performed information architecture review and bug reporting

Research Intern | LeNSlab Polimi / Milan, Italy (sep 2024 - jan 2025)

- Applied UX design and user interface design to develop Ecodesign tool on Google Sheets
- Conducted research on sustainability case studies and maintained LeNSlab website using WordPress, HTML, and CSS

Web Designer | Interdependence - Politecnico di Milano / Milan, Italy (jan 2024 - apr 2024)

- Web design for Milan Design Week 2024 exhibition Interdependence
- Implemented interactive visual effects using JavaScript and p5.js

Other

_Web Designer / Anthropogenic Narratives - Polimi @ Triennale Milano (feb 2023 - mar 2023)

_Exhibition coordinator / "More than Human AI" @ Polimi (jan 2025)

_Cultural mediator / "Surprise Party: carte blanche à Constance Guisset Studio!" @ MDW2023 (apr 2023)

_Peer-to-peer students tutor / Curve e superfici per il design @ Polimi (oct 2022 - jan 2023)

_Social media manager / Dynamis PRC (oct 2021 - apr 2022)

publications

Ripples: Voices of the Lagoon-Attuning to Multispecies Justice through Tangible and Embodied Interaction / ACM DIS 2025, Funchal, Madeira (jul 2025)

education

MSc in Digital and Interaction Design / Polimi (sep 2023 - jul 2026)

Focus: Interaction design, speculative design, data-driven design, AI ethics

Thesis: A pedagogical framework, intended for design educators to provide to their students, for co-speculation with AI aimed at fostering decolonial literacy in speculative design.

ENHANCE Programme at TU Berlin (feb 2026 - mar 2026)

Blended Intensive Programme in Gender and Diversity in Science, Technology and Society.

Erasmus Experience at FH;Potsdam (mar 2025 - aug 2025)
